REFLECTION QUESTIONS

Read the passage (Philippians 2:12-17) and answer the following questions:

1. What stands out most and why?
2. What does the passage reveal to us about God?
3. What does the passage reveal to us about ourselves?
4. What are the immediate application points?

DEEPER DISCUSSION

1. Pastor Matt said that it's God's desire to work through the gathering and scattering of a congregation. What are some ways we can be a part of that?
2. Paul talks about the faithfulness of the church at Philippi, particularly their obedience. What does our obedience and disobedience say to God and others? What hinders us from obeying?
3. What does Paul mean when he says work out your own salvation?
4. Paul talks in v.14 about grumbling and complaining, why must we be careful of these? In comparison, v.15 tells us to be blameless and innocent, what does this mean to you?
5. Pastor Matt titles v.16 and 17 Shine in your Endurance, what should we do, where should we turn when life gets tough?
6. How can living out these versus change those around us?
